Conversion of six Incomplete Middle Schools in the Kadur District.

READ—

Government Order No. D. 9953-5—Edn. 232-26-2, dated 13th May 1927, passing orders on the proposals of the Inspector-General of Education, for the utilisation of Education Cess realised in the Kadur District.

2. Letter No. D. 4-278—27-28, dated 30th March 1928, from the Director of Public Instruction in Mysore, submitting proposals for the conversion of six Incomplete Middle Schools in the Kadur District into Middle Schools.

ORDER NO. D. 12362-4—EDN. 796-27-2, DATED 16TH MAY 1928.

In the above order of 13th May 1927 on the proposals of the Inspector-General of Education (now Director of Public Instruction) for the utilisation of Education Cess Funds realised in the Kadur District, Government sanctioned an expenditure of Rs. 34,864$\frac{7}{10}$ recurring and Rs. 28,250 non-recurring out of Cess Funds, for the opening of new schools, etc. It was also stated that proposals for the utilisation of the balance of the Education Cess, *viz.*, 13,153$\frac{3}{10}$ were awaited. In connection with the proposal of the Inspector-General of Education in regard to the development of the six Incomplete Middle Schools to which the Kadur District Board had not agreed on the ground that the responsibility for the maintenance of Middle Schools rested with Government, they observed that they were unable to accept the contention of the District Board and directed that the six schools should be provided for out of the Cess Funds.

2. The Director of Public Instruction now reports with reference to the above orders regarding the conversion of the six Incomplete Middle Schools into Middle Schools from Cess Funds, that the Kadur District Board who were consulted in connection with the proposals for developing eight Incomplete Middle Schools in rural areas in that District, at a total cost of Rs. 8,215 have resolved that the Education Cess should on no account be utilised for Middle Schools and that the Government be requested to reconsider their orders dated 13th May 1927 on the subject.

The Director of Public Instruction further states that as against Rs. 53,000 which was taken in the Government Order of 13th May 1927 read above, as the normal income from the Education Cess of the Kadur District, the actual receipts from Education Cess in that District during 1926-27 is only Rs. 46,920. Taking this as the basis and deducting from it the recurring expenditure to be incurred therefrom and the reserve amount of $\frac{1}{10}$th of the income, there will be a balance of Rs. 6,394$\frac{4}{5}$ available for recurring expenditure. The Director of Public Instruction recommends that six Incomplete Middle Schools in the Kadur District be converted into Middle Schools at a recurring cost of Rs, 6,260 per annum and a non-recurring cost of Rs. 1,200 as per statement annexed, the former sum being met from the balance of Rs. 6,394$\frac{4}{5}$ above referred to and the latter from the balance of accumulated Cess Funds of the Kadur District.

3. Government observe that there are no grounds for reconsidering their order of 13th May 1927 in the matter of the Cess Funds of the Kadur District being devoted for the purpose of Middle School Education also.

4. Government are therefore pleased to sanction the foregoing proposals of the Director of Public Instruction for the conversion of the six Incomplete Middle Schools into Complete Middle Schools.
